The ANA Membership Screening Committee has resolved as follows:

1. Every member of the Association must publish at least one creative literature book (not motivational book or textbook).
2. Every published work must come from a verifiable publisher and must carry an ISBN
3. That self-published works may be accepted on the basis that they have minimal errors.
4. That the names of candidates for screening must be submitted by the intending author/authors' chapter Chairman.
5. That membership screening must take place every year.

Signed:

Dame Joan Oji, PhD
General Secretary, ANA
